

ENCLOSURE B

PROPOSED ADMINISTRATIVE INSTRUCTION NO. \_\_\_\_\_

SUBJECT : Peripheral Reporting Program

REFERENCE: NSCID No. 1

1. Reference requires that the Director of Central Intelligence produce intelligence relating to the national security. As one measure to that end there is hereby established the CIA Peripheral Reporting Committee comprising representatives from the activities listed below to be designated not later than \_\_\_\_\_ by the appropriate Assistant Directors:

Office of Operations ..... Chairman  
Office of Reports and Estimates ..... Member  
Office of Scientific Intelligence ..... Member  
Office of Collection and Dissemination .. Member

2. The Peripheral Reporting Committee will:

a. As first priority, draft and submit to DCI a plan for CIA participation in peripheral reporting. This plan is to include recommendation for:

- (1) CIA personnel participation, including numbers, grades and assignments of personnel.
- (2) CIA financial participation
- (3) Immediate and long range implementing measures
- (4) Measures to insure that CIA interests in peripheral reporting are met.
- (5) Liaison or committee plan for Washington inter-agency coordination of peripheral reporting.
